POLICY STATEMENT AND SCOPE

Woodland LTC recognises our moral and statutory responsibility to safeguard and promote the welfare of all children (anyone under 18) and adults at risk. We are committed to ensuring our safeguarding practice reflects statutory responsibilities, government guidance and with LTA safeguarding standards, which can be found here: <https://www.lta.org.uk/about-us/safeguarding/venue-standards/>.

We are committed to prioritising the well-being of children and adults at risk and providing a safe and welcoming environment where they are respected and valued. We are alert to the signs of abuse and neglect and follow our procedures to ensure that children and adults at risk receive effective support and protection.

We recognise that health, well-being, ability, disability and need for care and support can affect a person's resilience. We recognise that some people experience barriers, for example, to communication in raising concerns or seeking help. We recognise that these factors can vary at different points in people's lives.

We recognise that there is a legal framework within which sport needs to work to safeguard adults at risk and will act in accordance with the relevant safeguarding adult legislation and with local statutory safeguarding procedures.

Actions taken by us will be consistent with the principles of adult safeguarding ensuring that any action taken is prompt, proportionate and that it includes and respects the voice of the adult concerned.

This policy applies to any person who plays, coaches, officiates, works, volunteers, or otherwise participates (or visits) at our venue.

We expect contractors and partner organisations, including for example, suppliers and sponsors to adopt and demonstrate their commitment to the principles and practice as set out in this Policy and associated procedures.

All bound by this policy are responsible for upholding high standards of conduct and professionalism and raising safeguarding concerns and allegations in accordance with the Reporting a Safeguarding Concern Procedures.

This Policy is reviewed every two years (or earlier if there is a change in national legislation).

This Policy is approved by:

Club Committee Chair Jane Tucker:

Date: 11 April 2025

Club Welfare Officer David Tucker:

Date: 10 April 2025

POLICY PRINCIPLES

- The safety and welfare of children and adults at risk is paramount
- All children and adults at risk, regardless of age, disability, gender reassignment, race, religion or belief, sex, or sexual orientation have an equal right to protection from all types of harm or abuse
- Safeguarding is everybody's responsibility
- All safeguarding concerns or allegations will be taken seriously and responded to swiftly and appropriately
- We strive to create a culture and environment where everyone is empowered to protect themselves and others and feel able to raise concerns
- We actively promote working together to ensure all children and adults at risk are safeguarded

RESPONSIBILITY FOR SAFEGUARDING

The Committee have overall accountability for this policy and its implementation.

We have an appointed Welfare Officer (WO) who holds operational responsibility for safeguarding in line with the LTA role profile and is supported by the Committee. The WO is the first point of contact to raise a safeguarding concern involving a child or adult at risk. They also play a proactive role in increasing an awareness of safeguarding within our venue.

The Welfare Officer is:

David Tucker

Email: safeguarding@woodlandtennis.org.uk

If the Welfare Officer is not available to report a safeguarding concern or allegation, the Deputy Welfare Officer within our venue is:

Inger Bowcock

Email: safeguarding@woodlandtennis.org.uk

The LTA Safeguarding Team has strategic and operational responsibility for safeguarding in tennis in Britain, including the monitoring and evaluation of safeguarding standards and investigating safeguarding concerns. Safeguarding concerns can be raised directly to the LTA Safeguarding Team via <https://safeguardingconcern.lta.org.uk/>

The Local Authority contact details are:

All bound by this policy are responsible for raising safeguarding concerns in accordance with the 'Reporting a safeguarding concern' procedure (see Appendix A and B).

RECRUITMENT

We operate a Safe Recruitment Policy and are committed to ensuring that people who work (including volunteers and self-employed individuals who we engage) with children or adults at risk are appropriately qualified for that role. See the club's Recruitment Policy for details.

TRAINING

All LTA Accredited Coaches and Welfare Officers complete safeguarding training as part of their role and renew this as part of their Accreditation requirements or every three years. The Committee also receive safeguarding training (every three years or when there are changes to the Committee) provided to them via the Welfare Officer to enable them to recognise the possible signs and indicators of abuse and what to do if they have a safeguarding concern or allegation.

An induction, which includes our safeguarding policies and procedures, reporting and recording arrangements, and details for the Welfare Officer, is also provided to all new staff, volunteers and any self-employed individuals who we engage.

CODE OF CONDUCT

All individuals within scope of this policy are expected to familiarise themselves with this policy and the LTA Code of Conduct (available here: <https://www.lta.org.uk/about-us/what-we-do/governance-and-structure/rules-regulations/>), and at all times act in accordance with them. Breaches of the law, this Policy and/or the LTA Code of Conduct may result in criminal and/or disciplinary action being taken.

TRANSPORTATION

It is the responsibility of parents to ensure appropriate transport arrangements are in place for their children when travelling to and from the venue. Similarly, it is the responsibility of the adult at risk (or their carer) to ensure transport arrangements are in place.

Coaches and other staff/volunteers are not responsible for transporting children or adults at risk to and from the venue or other locations (except if it is an emergency), unless it is as part of a venue organised trip in which case the following measures will be in place

- The adult at risk or child's parents are informed of the destination, reason for the journey and who the driver will be
- The adult at risk or child's parents provide written consent to the arrangements and the driver will have emergency contact details during the journey
- There will be two adults in the front of the car whenever children or adults at risk are being transported. Children or adults at risk are always seated in the back of the vehicle
- If there is a mixture of female and male children or adults at risk, we will seek to have adults of matching gender where possible
- There is an agreed procedure in the event of a breakdown/emergency
- The driver has a valid UK driving license, DBS/PVG, correct insurance, MOT certificate and complies with laws on the use of seatbelts and restraints

SUPERVISING CHILDREN

Children under the age of 16 are required to have parental supervision whilst at our venue and not participating in any venue sessions, such as coaching lessons or tennis camps.

For coaching activities, we comply with the LTA guidance on coach-to-player ratios. For children aged under 11, children must be delivered directly into the care of the coach by the parent and picked up directly from the coach. Please note that it is not enough to drop off outside or at the front door of the venue. Parents must ensure that their child has been delivered to the coach. Children under the stipulated age will not be allowed to leave a coaching session or camp unattended unless permission has been given in writing.

For other activities, e.g. away trips/matches, we will use the following adult-to-child ratios:

- 2:8 for children 10 and under
- 2:10 for children aged 11 and over

We may decide to have a greater adult-to-child ratio dependent on the needs of the children or identified risks. At least one of the supervising adults will, where possible, be the same gender as the children. Situations where a child has to leave a venue session, for example, to use the toilet, will also be supervised.

LOW LEVEL CONCERNS

A low level concern (which can also be known as poor practice) is behaviour that falls short of abuse towards a child and does not meet the allegation threshold for a referral to the Local Authority Designated Officer (LADO), but which nevertheless harms or places a child at risk of harm or has a negative effect on the safety and well-being of children.

An 'allegation' means that it is alleged that a person who works with children has:

- Behaved in a way that has harmed a child or may have harmed a child
- Possibly committed a criminal offence against a child
- Behaved towards a child or children in a way that indicates they may pose a risk of harm to children
- Have behaved in a way in their personal life that raises safeguarding concerns. These concerns do not have to directly relate to a child but could, for example, include an arrest for possession of a weapon
- Have, as a parent or carer, become subject to child protection procedures

A low level concern is any concern - no matter how small, and even if no more than a 'nagging doubt' - that an adult may have acted in a manner which:

- Is not consistent with the Code of Conduct, and/or
- Relates to their conduct outside of work which, even if not linked to a particular act or omission, has caused a sense of unease about that adult's suitability to work with children

Low level concerns are not acceptable and should be reported to the Venue Welfare Officer who will refer the matter on to the LTA Safeguarding Team. It is critical that all low level concerns are referred to the LTA. Having one recipient of all such concerns should allow any potential patterns of concerning, problematic or inappropriate behaviour to be identified, and ensure that no information is potentially lost.

Upon receipt by the LTA, low level concerns will be triaged and managed through the LTA Safeguarding Regulations, which form part of the LTA Disciplinary Code available here: <https://www.lta.org.uk/about-us/what-we-do/governance-and-structure/rules-regulations/>.

The LTA may decide that the low level concern is suitable to be dealt with by the venue directly, in which case the LTA will support them with managing the situation. If further information comes to light which raises the level of concern, the matter must be referred to the LTA.

RESPONDING TO A SAFEGUARDING CONCERN OR ALLEGATION

Everyone has a responsibility to ensure the safety and welfare of children and adults at risk and to take appropriate steps to ensure that safeguarding concerns and allegations are taken seriously and responded to quickly and appropriately, even if the safeguarding concern or allegation may not have occurred recently.

It is advisable to discuss safeguarding concerns or allegations with the adult at risk, or the child's parents in the first instance except where this may place the adult at risk, a child, or someone else, at increased risk.

It is not the responsibility of anyone within the venue to investigate any safeguarding concern or allegation, nor determine whether abuse has taken place. All concerns must be responded to in accordance with the Reporting a Safeguarding Concern Procedure.

Once a safeguarding concern or allegation is reported to our Welfare Officer, it will be passed onto the LTA Safeguarding Team who will triage and manage it through the LTA Safeguarding Regulations, which form part of the LTA Disciplinary Code available here: <https://www.lta.org.uk/about-us/what-we-do/governance-and-structure/rules-regulations/>.

RESPONDING TO A DISCLOSURE OF ABUSE

If a child or adult at risk discloses that he or she has been abused or is at risk of abuse:

- Listen carefully and calmly to what is said
- Reassure them that they have done the right thing and what they have told you is very important
- Keep questions to a minimum, only ask questions if you need to identify/ clarify what the person is telling you
- Ask them what they would like to happen next
- Explain what you would like to do next
- Ask for their consent for the information to be shared (adults only)
- Let them know that you will need to speak to the Welfare Officer/LTA Safeguarding Team because it is in their best interest. If you intend to speak to the police or social care, you should let them know this too.
- Do not seek to investigate it yourself or let doubt/personal bias prevent you from reporting the allegation
- Make an arrangement as to how you can contact them safely (adults only)
- Help them to contact other organisations for advice and support (e.g. Police, Domestic Abuse helpline, Victim Support, etc)
- Ensure that their immediate needs are met and that the priority is their safety and protection from further risk of harm
- Record details of the disclosure (further advice here <https://learning.nspcc.org.uk/child-abuse-and-neglect/recognising-and-responding-to-abuse/>) as soon as possible (but not during the disclosure) and then submit the details to the LTA via <https://safeguardingconcern.lta.org.uk/>

MAKING SAFEGUARDING PERSONAL

'Making Safeguarding Personal' means engaging an adult at risk in a conversation about how best to respond to their situation in a way that enhances their involvement, choice and control, as well as improving their quality of life, well-being and safety. Their views, wishes, feelings and beliefs will be taken into account when decisions are made about how to support them to be safe and finding the solution that is right for them. Treating people with respect, enhancing their dignity and supporting their ability to make decisions also helps promote people's sense of self-worth and supports recovery from abuse.

If an adult at risk has difficulty making their views and wishes known, they can be supported or represented by an advocate. This might be a safe family member or friend of their choice or a professional advocate (usually from a third sector organisation).

CONFIDENTIALITY

All safeguarding concerns and allegations will be dealt with confidentiality by the Welfare Officer on a need to know basis, not only to maintain the privacy of the individuals involved but also to ensure that evidence or any investigation is not compromised. All people involved in a safeguarding concern or allegation should similarly ensure they maintain high levels of confidentiality.

There may be circumstances where an individual raising a safeguarding concern or allegation does not wish to be named. It is not possible to assure anonymity, as in some circumstances individuals will need to be named (for example, where it is necessary in order to carry out a fair disciplinary process).

INFORMATION SHARING AND RETENTION

We share safeguarding information with the LTA in accordance with this policy and LTA regulations. In certain situations, we may be required to also share information with statutory agencies and other relevant organisations where it is considered necessary and proportionate to prevent or manage the risk of harm in tennis or sport to children.

When sharing safeguarding information, we will keep a dated record of:

- what has been shared;
- with whom; and
- for what purpose.

This should include, where applicable, a record of any steps taken to secure, protect or minimise personal data, any express limitations placed on the onward use of the information, and a record of the basis for sharing.

Where safeguarding information is concerned, we operate in line with best practice which is for long term (e.g. lifetime) retention of relevant documentation.

APPENDIX C: DEFINITIONS

Adult: a person aged 18 years or older

Child: a person under the age of 18 years.

Intermediate: a person over the age of 18 who is in full time education

Junior Intermediate: a person under 18 who is given access to the courts (but not the clubhouse) on the agreement of the Head Coach and Chairperson.

Parent: birth parents and other adults who are in a parenting role.

Adult at risk:

In England, an individual aged 18 years and over who:

- (a) has needs for care and support (whether or not the local authority is meeting any of those needs) AND;
- (b) is experiencing, or at risk of, abuse or neglect, AND;
- (c) as a result of those care and support needs is unable to protect themselves from either the risk of, or the experience of abuse or neglect.

Safeguarding: the action taken to promote the welfare of children and protect them from harm. This means protecting children from abuse and maltreatment, preventing harm to their health or development, ensuring they grow up with the provision of safe and effective care, and taking action to enable all children to have the best outcomes. Safeguarding adults means protecting a person's right to live in safety, free from abuse and neglect.

Child protection: the processes undertaken to protect children who have been identified as suffering, or being at risk of suffering, significant harm.

Local Authority Designated Officer (LADO): an individual within a local authority in England and Wales with responsibility for oversight of allegations against people who work with children.

Prohibited conduct: engage, or attempt or threaten to engage, in conduct that directly or indirectly harms the physical and/or mental welfare and/or safety of one or more child or adult at risk; or pose a risk of harm to the physical and/or mental welfare and/or safety of one or more child or adult at risk.

Abuse: Abuse happens when a person harms a child or an adult at risk.

There are four main types of abuse that apply to children, these being:

- Sexual
- Physical
- Emotional
- Neglect

The safeguarding adults at risk legislation (Care Act 2014) defines categories of adult abuse and harm as follows.

- Sexual
- Physical
- Emotional/Psychological/Mental
- Neglect

- Financial or material abuse
- Discriminatory
- Organisational
- Self-neglect
- Domestic Abuse (including coercive control)
- Modern slavery

Neglect:

Children - Ongoing failure to meet the basic needs of children. Neglect may involve failing to provide adequate food or shelter including exclusion from home or abandonment, failing to protect them from physical and emotional harm or danger or failing to ensure access to appropriate medical care or treatment. It may also include neglect of, or unresponsiveness to, basic emotional needs.

Adults at risk - includes ignoring medical or physical care needs and failing to provide access to appropriate health social care or educational services. It also includes the withdrawing of the necessities of life, including medication, adequate nutrition, and heating.

Emotional abuse: Any act or other treatment which is persistent and may cause emotional damage and undermine a child’s sense of wellbeing. This includes persistent criticism, denigration or putting unrealistic expectations on children, isolation, verbal assault, humiliation, blaming, controlling, intimidation or use of threats.

Emotional/Psychological abuse (adults at risk): Includes threats of harm or abandonment, deprivation of contact, humiliation, blaming, controlling, intimidation, coercion, harassment, verbal abuse, isolation, or withdrawal from services or supportive networks.

Physical abuse:

Children - Physical abuse happens when a child is deliberately hurt, causing physical harm. It can involve hitting, kicking, shaking, throwing, poisoning, burning or suffocating. It’s also physical abuse if a parent or carer makes up or causes the symptoms of illness in children. For example, they may give them medicine they don’t need, making them unwell. This is known as fabricated or induced illness (FII).

Adults at risk - Hitting, slapping, pushing, kicking, misuse of medication, restraint, or inappropriate sanctions.

Sexual abuse:

Children - Any act which involves forcing or enticing a child to take part in sexual activities. It doesn’t necessarily involve violence and the child may not be aware that what is happening is abuse. The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing.

They may also include non-contact activities, such as involving children in looking at, or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse. Sexual abuse can take place online, and technology can be used to facilitate offline abuse. Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

Abusers may threaten to send sexually explicit images, video or copies of sexual conversations to the child's friends and family unless they take part in other sexual activity. Images or videos may continue to be shared long after the abuse has stopped.

Adults at risk - Includes rape, indecent exposure, sexual harassment, inappropriate looking or touching, sexual teasing or innuendo, sexual photography, subjection to pornography or witnessing sexual acts, indecent exposure and sexual assault, or sexual acts to which the adult has not consented, or was pressured into consenting.

Grooming: The process of developing a relationship with and the trust of a child, their family, and any other adults around the child, to commit sexual abuse or exploitation against them. Grooming can happen both online and in person.

Child sexual exploitation: A form of child sexual abuse. It occurs where an individual or groups of people take advantage of an imbalance of power to coerce, manipulate or deceive a child into sexual activity in exchange for something the victim needs or wants and/or for the financial advantage or increased status of the perpetrator or facilitator. The victim may have been sexually exploited even if the sexual activity appears consensual. Child sexual exploitation can also take place through the use of technology.

Self-neglect (adults at risk): Covers a wide range of behaviour, but it can be broadly defined as neglecting to care for one's personal hygiene, health, or surroundings. An example of self-neglect is behaviour such as hoarding.

Modern Slavery (adults at risk): Encompasses slavery, human trafficking, forced labour, and domestic servitude.

Domestic Abuse (adults at risk): Domestic abuse is any type of controlling, coercive, threatening behaviour, violence or abuse between people who are, or who have been in a relationship, regardless of gender or sexuality. It can include physical, sexual, psychological, emotional or financial abuse.

Exposure to domestic abuse is child abuse. Children can be directly involved in incidents of domestic abuse or they may be harmed by seeing or hearing abuse happening. Children in homes where there is domestic abuse are also at risk of other types of abuse or neglect.

Discriminatory (adults at risk): Abuse or bullying because of discrimination occurs when motivated by a prejudice against certain people or groups of people. This may be because of an individual's ethnic origin, colour, nationality, race, religion or belief, gender, gender reassignment, sexual orientation or disability. Actions may include unfair or less favourable treatment, culturally insensitive comments, insults and 'banter'.

Organisational (adults at risk): Includes neglect and poor care practice within an institution or specific care setting, such as a hospital or care home, or in relation to care provided in one's own home. Organisational abuse can range from one off incidents to ongoing ill-treatment. It can be through neglect or poor professional practice as a result of the structure, policies, processes and practices within an organisation

Financial (adults at risk): Includes theft, fraud, internet scamming, and coercion in relation to an adult's financial affairs or arrangements, including in connection with wills, property, inheritance or

financial transactions. It can also include the misuse or misappropriation of property, possessions, or benefits.

Bullying: Repeated behaviour intended to intimidate or upset a child and/or make them feel uncomfortable or unsafe, for example, name calling, exclusion or isolation, spreading rumours, embarrassing someone in public or in front of their peers, threatening to cause harm, physically hurting someone or damaging their possessions.

Cyberbullying: The use of technology to harass, threaten, embarrass, humiliate, spread rumours or target another child.

Child trafficking: Child trafficking involves recruiting and moving children who are then exploited. Many children are trafficked into the UK from overseas, but children can also be trafficked from one part of the UK to another. Children may be trafficked for child sexual exploitation, benefit fraud, forced marriage, domestic servitude, forced labour, criminal exploitation and more.
